What is Paint The Town?

The **TIDEMARK GALLERY**, in partnership with four local non-profit groups, invites artists to a day of painting, scenic beauty, and a celebration of art in the beautiful Medomak River valley.

Paint The Town provides artists with an opportunity to spend the day paint from unique and private vistas around the area.

That evening the artists can attend an artists' reception and see their work be sold at a lively auction hosted by

the **Thomaston Place Auction Galleries**. A

portion of the auction proceeds will benefit the following organizations:

- Medomak Valley Community Foundation
- Medomak Valley Land Trust
- Waldoboro Library
- Waldoboro Lions Club

Registration Deadline:: August 7, 2010
